# Welcome to the Campanelli YMCA 'Mazing Kids Child Care Center!

The 'Mazing Kids Zone offers a safe, fun and interactive environment for children 4 months and up while you enjoy the YMCA facilities and feel comfortable knowing that they are in good hands.

Please follow the guidelines below when using the 'Mazing Kids Zone:

- 1. Your child may visit us for a maximum of 2 hours per visit.**
- 2. Parents must remain in the building at all times when their child is in the center.**
- 3. No food or drinks are allowed in the 'Mazing Kids Room. You may feed your child snack at the Café before dropping them off at the center if you choose.**
- 4. Your child should be at least 2 1/2 years old to climb in the upper portion of the maze.**
- 5. We have plenty of toys and games to entertain your child during their visit. We discourage children from bringing their toys from home and do not take responsibility for lost, stolen or broken toys.**
- 6. Children who are sick are not permitted to stay in the 'Mazing Kids Zone. If your child shows signs of illness, the parents will be asked to return to the center to pick up their child.**
- 7. If your child is upset, we will work with your child to make them feel comfortable. However, if after 20 minutes they're still upset, we may feel it is necessary to come and ask you to return to the center.**
- 8. We do not change diapers or pull ups. Please make sure your child has a clean, dry diaper or has used the washroom before entering the playroom. If your child needs to be changed, we will ask you to come and change them.**
- 9. The same person who signs a child in must sign the child out unless you put something different in writing and give to the childcare staff upon signing in.**

Hours of operation may change depending on usage. If you have any questions or concerns please contact Sheila Phillips, Director of Youth Development, at 847-891-9622 ext. 106. Thank you for your cooperation.
