

## PARENT/CHILD

Parent & young swimmers come and enjoy the water together. Parent & instructor use games and songs to teach children basic aquatic movement.

## PIKE WITH PARENT

A transition class and introduction to group swim lessons for children new to group lessons and still need the support of a parent in the water.

(Ages: 6mo.-3yrs, Ratio: 1:10)

At the Y, we know swimming is a life skill as much as it is great exercise and a challenging sport. In Y classes, you not only learn to swim, but also build self-confidence, learn water safety & rescue skills, have fun, and make new friends. We offer lessons for anyone from 6-months and older, family swim time, and adaptive programs to ensure everyone can swim at the Y.

Low enrollment classes may be combined, canceled, or changed to premium level. Canceled classes will receive a credit towards another session.
